**ETH Zurich, ML F 39**  
**(Sonneggstrasse 3, next to the ETH main building)**

What options does a physicist have for his professional life? The field is wide!  
 Four experienced physicists will present their career and possible opportunities  
 in their field. After these presentations you can personally discuss your  
 questions with these persons during an apero.

Moritz Lechner	Co-Founder and Co-CEO of SENSIRION AG
Christoph Harder	Founder and CEO of Harder & Partner
Henrik Nordborg	Professor at the University of Applied Science Rapperswil
Urs Gamper	Specialist Magnetic Resonance Systems Philips Healthcare
